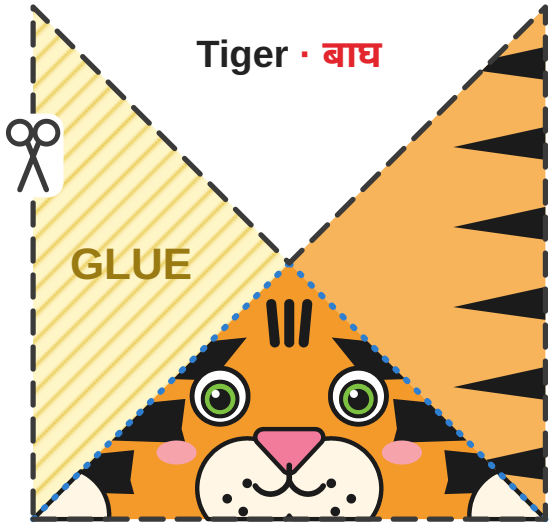
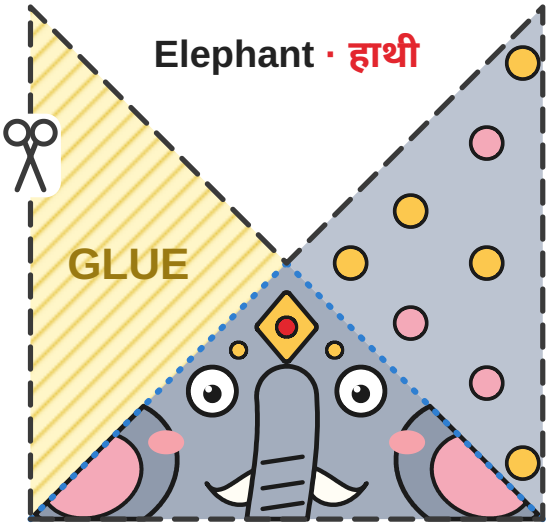
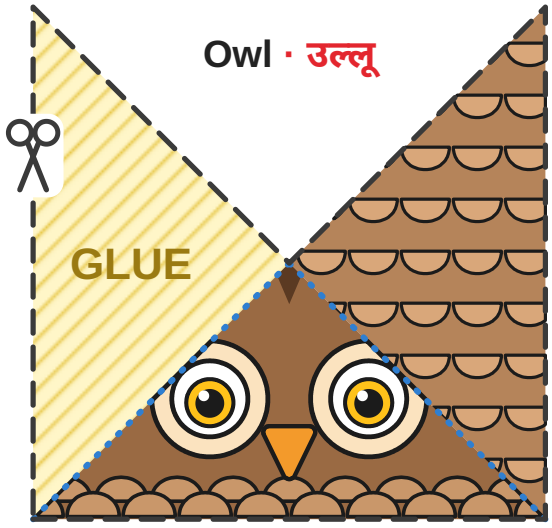
Animal Corner Bookmarks – Cut and Fold

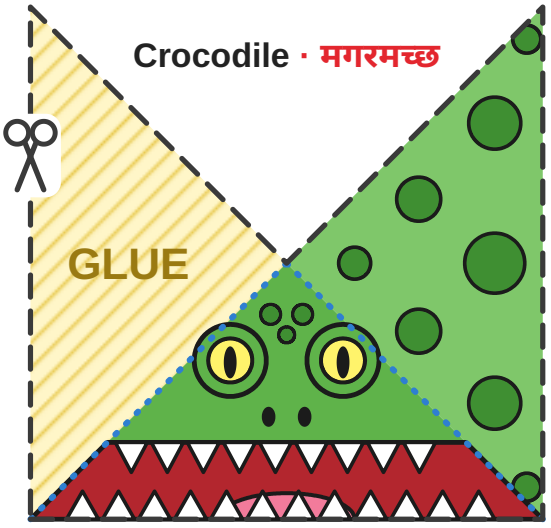
Cut out, fold the two flaps back and glue. Slip it over the corner of a page!

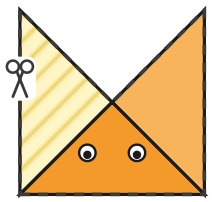
Cut Fold back Glue here



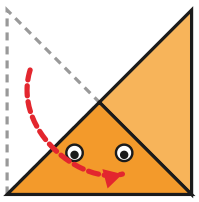




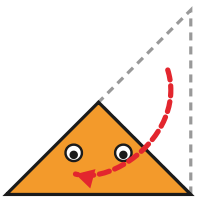




1 **Cut** along the dashed line around each bookmark.



2 **Fold** the GLUE flap **back** on the dotted line.



3 **Rub glue** on it. Fold the other flap back over it and press.

4 **Slip** it over the corner of a page. It saves your place!

Tip: Glue only the GLUE flap – never behind the face, so the pocket stays open for the page.
