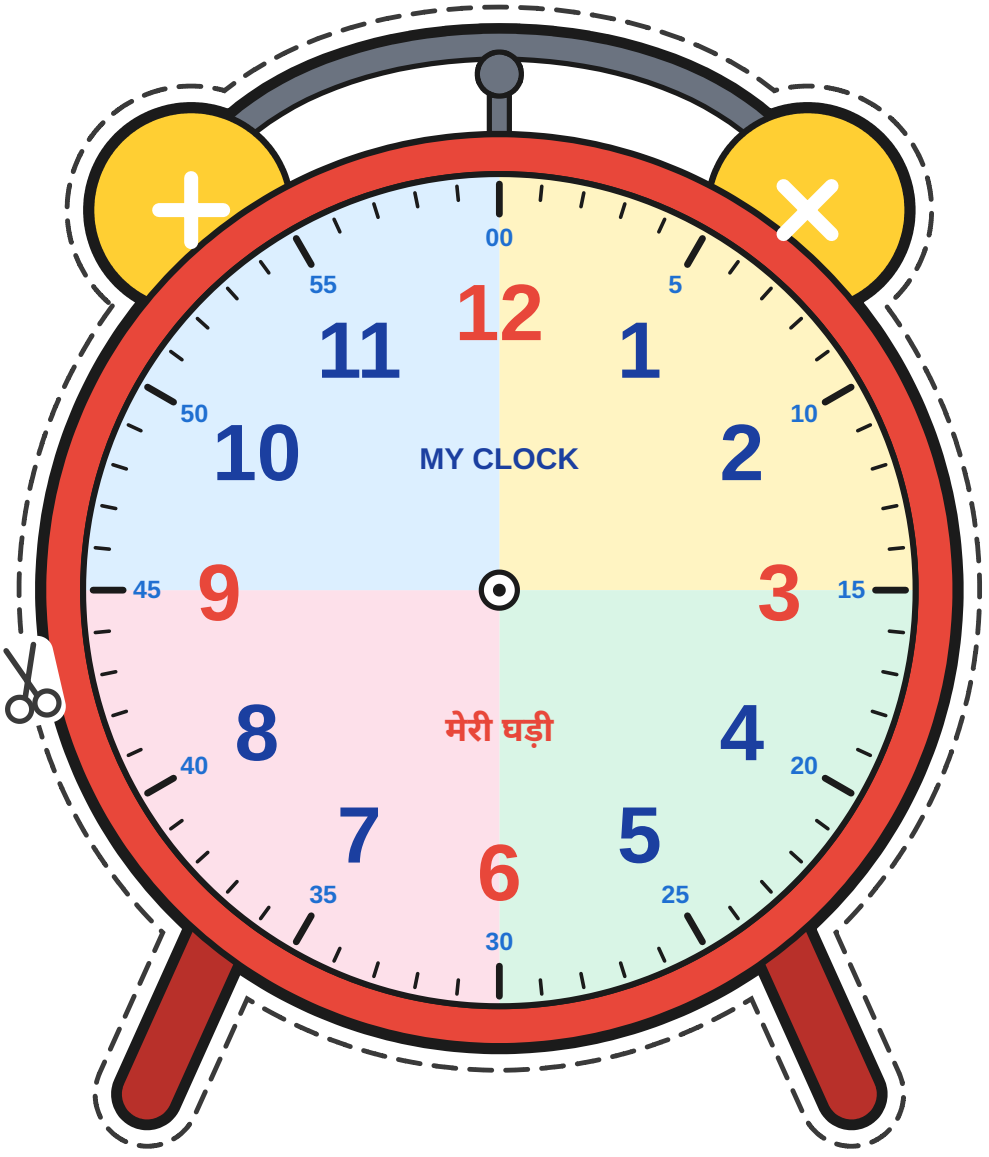
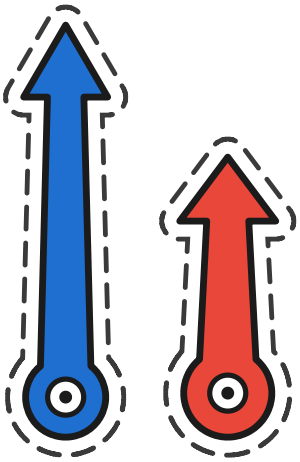
Maths Day Paper Clock – Cut and Learn

Cut it out, join the hands with a split pin and tell the time!

Cut Make a hole



Clock hands



Time cards

3 o'clock 3:00
8 o'clock 8:00
12 o'clock 12:00
half past 4 4:30
half past 10 10:30
quarter past 6 6:15

1. **Print** in colour – or colour the clock on page 2.
2. **Cut** out the clock, the two hands and the time cards.
3. **Ask an adult** to make a hole at each ● with a compass point.
4. **Push a split pin** through both hands and the clock. Open it at the back.

Tip: Pick a time card and move the hands to show it. The short red hand shows the hour, the long blue hand shows the minutes.

Age : 5–8 **Art & Craft**

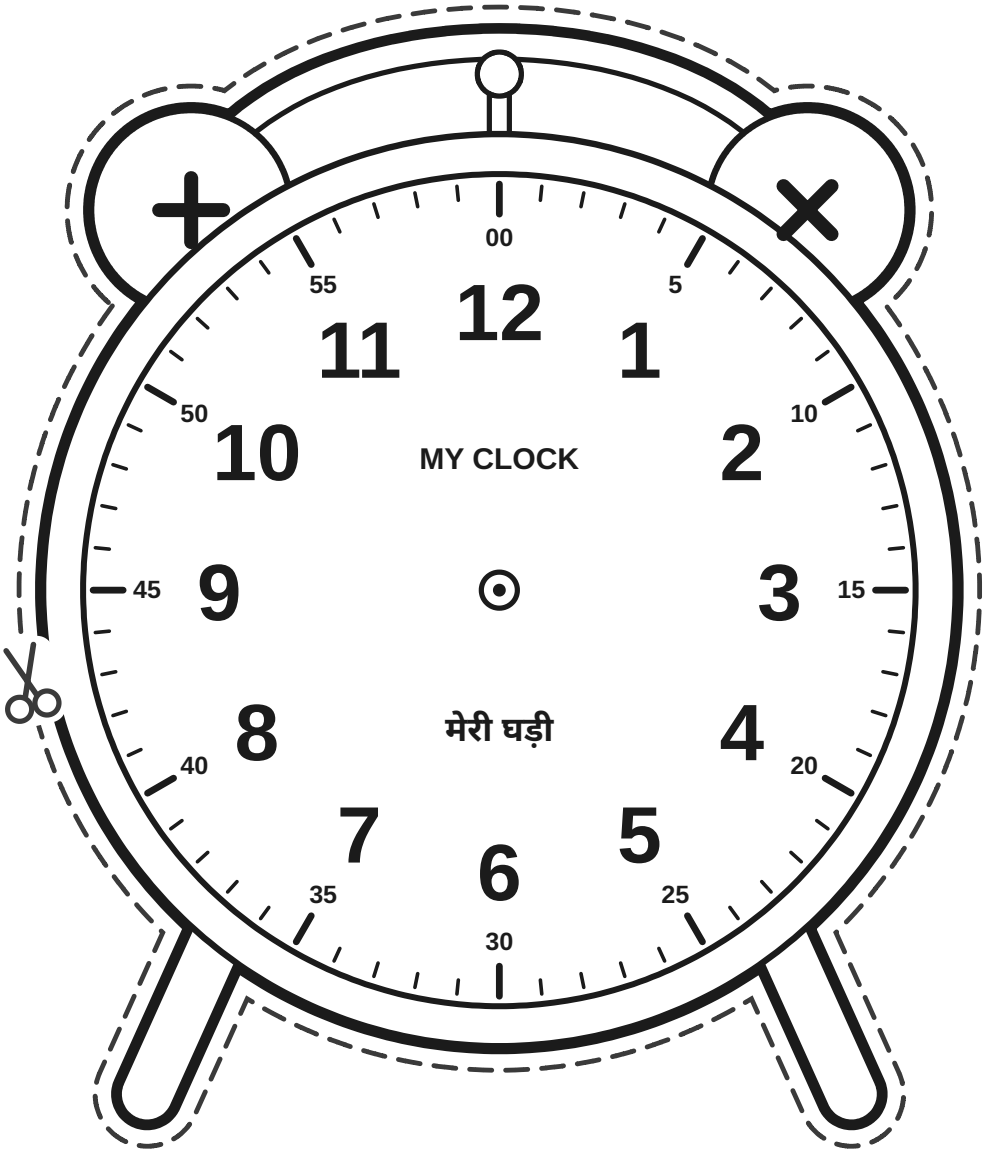
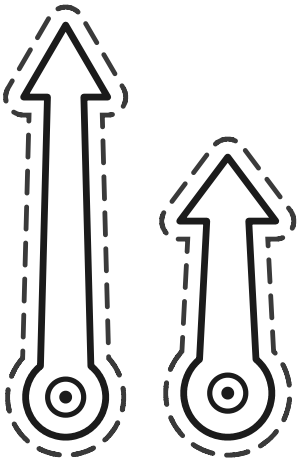
Colour Your Own Paper Clock

Colour the clock in your favourite colours, then cut it out and tell the time.

Cut Make a hole



Clock hands



Time cards

3 o'clock 3:00
8 o'clock 8:00
12 o'clock 12:00
half past 4 4:30
half past 10 10:30
quarter past 6 6:15

1. **Colour** the clock and hands with crayons.
2. **Cut** out the clock, the two hands and the time cards.
3. **Ask an adult** to make a hole at each ● with a compass point.
4. **Push a split pin** through both hands and the clock. Open it at the back.

Tip: Colour the short hour hand and the long minute hand in two different colours, so they are easy to tell apart.
