Paper Folding – Origami Dog Face

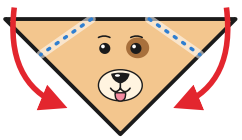

Cut out the square. Keep the coloured side facing you and fold it in 3 easy steps to make a puppy.

Cut on this line Fold on this line 1 Step number

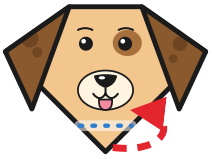

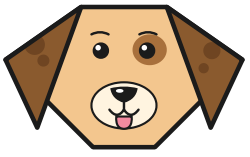

1 Fold the **top corner back** to meet the bottom corner.

2 Fold both **side corners down** to make the ears.

3 Fold the **bottom tip back** a little.

4 Woof! Your **puppy** is ready. Give it a name!

Age : 5–10 **Art & Craft**
